# Step 3: Choose workshops and attractions

If you have chosen the **Smart +** package, or the **Smart premium** package, be sure to check out our attractions! During the birthday workshops at Smart Kids Planet, we develop the creativity of the youngsters, who have a chance to experience a unique, smart formula, like never before.

## Bath bombs

It's time to open a little chemist's lab and create something special - eco-friendly bath bombs! We will decide what color, smell and additives will be in them. The knowledge gained will allow the youngest to continue this chemical fun at home!

## Eco-friendly backpacks

Do not buy - do it yourself! During the workshop, we will show you how to use felt-tip pens and crayons to create a unique work of art on a backpack/bag, that you will later take home with you!

## Space workshops

We will look at the stars and guess their secrets! We will learn how to be a professional astronaut, launch a rocket into space, and finally we will try to enclose the galaxy in a jar. One thing is for sure - we will definitely not be bored!

## Slime

Time for a polymer head spin! We are going to create something that all children love - colorful slime! We will choose its color, fragrance, incredible additives and we will experiment a bit to make it the perfect consistency! While doing so, we will look at the goo from scientists' perspective and find out what polymers are!

# Step 3: Choose workshops and attractions

Smart premium

## Meeting with an avatar

A meeting with an animated avatar is an amazing adventure that will remain in the memory of the birthday celebrant and guests for a long time! Bee, Fish, Dinosaur or Astronaut will be happy to meet the children to play with them, engage in educational games and most importantly - wish a personalized birthday message to the birthday celebrant!

## Experiments

An unforgettable birthday party? It's definitely the one with the experiments! Emotions will run high when our Crazy Scientist conducts explosive experiments together with his little assistants! A solid dose of knowledge, as well as great fun - guaranteed!

## Culinary

Everyone knows that the best parties take place in the kitchen ;) This is no different - the birthday celebrant and his/her guests will be able to prepare a tasty and nutritious meal together, having fun at the same time! A choice of cookies, muffins or pizza - it's hard to decide, right?

## Step 4: Choose the refreshments

As part of each package, we offer smart refreshments. Familiarize yourself with our offer and choose something for yourself!
