# Step 2: *Choose workshops and attractions*

Smart +

For 5 year olds

## Space Workshop

**NEW VERSION!**

Is it possible that the sun is a star? Do planets shine? And how many moons can we find in space? We will find out all this during our galactic expedition! We will use the knowledge we have gained to create space pendants that will glow in the dark!

For 7 year olds

## Cyanotype

During the workshops we will make amazing paintings - we will paint them with light! We will use photosensitive paper and fluorescent paints! We will also learn what light is, at what speed it moves and whether it has a color! It will be smart!

For 5 year olds

## Bath bombs

It's time to open a little chemist's laboratory and create something unique - ecological bath bombs! We will decide what color, scent and additives they will have. The knowledge gained will allow the youngest to continue this chemical fun at home!

# Step 2: *Choose workshops and attractions*

Smart +

## Secrets of Colors

For 5 year olds

How many colors are hidden in Smart Kids Planet? Together we will set off on an expedition to complete all the colors of the rainbow! We will discover what is at the end of it, we will check how a prism works and at the end we will close the rainbow in a test tube!

For 3 year olds

## Sports emotions

A treat for football fans. How to enjoy your team's victories and support your idols in difficult moments? What is Fair Play? We will play the roles of fans and athletes and celebrate the birthday of the birthday boy in a unique atmosphere! At the end, each participant will make a medal with their own hands - a perfect souvenir of a successful party!

Kids' favourite part of a birthday party :) Choose wisely!

# Step 2: *Choose workshops and attractions*

NEW!

For 5 year olds

## Mini Game Show

5 topics to choose from!

It's time to do some brainstorming! We'll split into two teams and learn some healthy competition. We'll answer questions and try to give the same answers as the people we interviewed earlier! In our game show, everyone wins - everyone will be able to draw a prize for themselves using the wheel of fortune! And if the birthday boy is particularly interested in a topic - let us know and we'll prepare personalized quiz questions!

NOW IN SMART+!

## Meeting with the avatar

For 3 year olds!

possible personalization!

Meeting an animated avatar is an amazing adventure that will remain in the memory of the birthday boy and his guests for a long time! Bee, Fish, Dinosaur or Astronaut will be happy to meet with children to play with them, play educational games and above all - give the birthday boy personalized wishes! Send us photos and other details about the birthday boy or girl so the avatar can tell your guests all about it!

Meet our fantastic avatars!  
Now in Smart+ package!

# Step 2: *Choose workshops and attractions*

## Smart Premium

Hmm... how about experiments in the kitchen?

For 5 year olds

## Experiments

### Experiments with dry ice

Emotions will reach their peak when our Mad Scientist conducts experiments with dry ice! Cold explosions, bubbles, a solid dose of knowledge and great fun - guaranteed!

### Little scientists' laboratory

In our colorful and full of mysteries laboratory we will find out that anyone can become a scientist! We will perform interesting experiments on our own, while learning about the chemical properties of the substances around us. Exciting fun, combined with a dose of knowledge, awaits us. It will be a real explosion of colors!

For 5 year olds

## Culinary

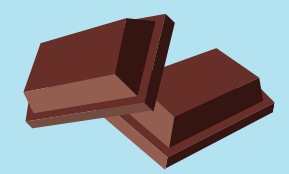

\*available only in the culinary room

### Pizza

Is there a dish that absolutely everyone loves? Of course, it's PIZZA! And we know that the most delicious dishes are those that we prepare ourselves! We will choose our favorite ingredients and additions, and even shape our pancakes into fancy shapes!

### Chocolate madness

Who doesn't love chocolate... Especially when you can make it yourself! And all of this with unique ingredients - freeze-dried fruit, dried flowers, and chocolate shapes in many colors! We will also take part in an exciting chocolate quiz and learn the history of chocolate. It promises to be a delicious smart adventure!
